

STREAMLINE YOUR BROKERAGE

With Real Estate Management Outsource

PROFITABILITY

A NEW PARTNERSHIP, A NEW PROFIT LEVEL

Efficiently manage your agent receivables, increase your profitability, and reduce risk as well as the burden of billing and collections. We've partnered with TransFirst, one of the nation's leading payment processors, to bring you a wide selection of dependable, Web-based payment processing solutions to easily capture card payments and set up automatic, recurring billing for collecting all agent fees. Plus, if your brokerage already accepts credit card payments, our services can make your life even easier.

- Supports all the major payment types your business needs: ACH (direct debit), MasterCard®, Visa®, American Express®, Discover®, Diners Club®, Carte Blanche®, JCB®, Debit, Stored Value, Corporate Cards, and EBT cards.
- Perform electronic check conversions and check verifications.
- Secure 24/7 online transaction reporting with risk prevention specialists helping protect your business.
- Enjoy comprehensive online reports and a reliable and experienced 24/7 Merchant Help Desk.
- Obtain funds in your account typically within two business days.
- No equipment purchase required.
- Utilize proprietary technologies such as TransAction Central™, a Web-based centralized payment processing system, and TransLink, a Web-based reporting system.

Get competitive and dependable credit card processing from Real Estate Management Outsource and TransFirst. It's fast, easy and the benefits are virtually endless!

EXPERIENCE CUTTING-EDGE SOLUTIONS

With our comprehensive suite of products, services and customized processing programs, we can offer our brokers a broad range of solutions uniquely tailored for their special business needs – from debit card acceptance and international processing, to recurring billing and more.

TransLink

A comprehensive Web-based reporting system, TransLink offers our brokers 24/7 access to a variety of reports such as:

- Monthly statements
- Settled batches
- All attempted authorizations
- Retrieval requests and chargebacks

TransAction Central™

A Web-based centralized payment processing system that is easy-to-use, flexible and customizable, TransAction Central enables our brokers to add features as their needs change.

Capabilities Include:

- Real-time reporting
- Batch processing
- Multi-location networking
- Recurring payments
- Integrated shopping cart
- ACH service
- Managed services

"Your service does two things right away for a broker.

#1 It will save a broker time in labor cost.

#2 It will save a broker money.

Nothing else matters more in today's market."

*Jeff & Fafie Moore –
Broker/Owners, Realty Executives
of Nevada*

DRIVE POWERFUL RESULTS

Leverage the proven suite of products and services created by this extraordinary new partnership to streamline your agent receivables and increase your profitability. Use a web-based solution to easily capture card payments and set up automatic, recurring billing for collecting all agent fees.

- Give your agents more choices in how they pay their recurring bills, including the ability to collect reward points.
- Manage and track your receivables through one, web-based solution, accessible from home, office or on the go.
- Free up your time for profit-driving activities and stop worrying about receivables.
