# THE POWER TO PROFIT

## Start Using PayFox Today!

- Download PayFox from your iPhone's AppStore – search keywords "PayFox" or "UCharge"
- Install the app on your phone – it will display as UCharge
- Set up your business information with PayFox's step-by-step guidance

It's that easy. You'll be on your way to higher profits and more business.

## PayFox Pays for Your Business

- Works like a regular credit card terminal
- The ability to process Visa<sup>®</sup>, MasterCard<sup>®</sup>, Discover<sup>®</sup> Network and American Express<sup>®</sup>, as well as signature debit cards
- A single-screen entry for speed and convenience
- Safe and secure data transmission via SSL connection, with verification or decline notification within seconds
- Advanced fraud detection with address verification support alerts
- Supports geo-location technology for mapping transactions on receipts
- Supports add-on gratuities or tips
- Required cardreader (priced separately) lets you swipe your customer's card instead of manually typing card number: you'll get card swipe rates when you use the cardreader
- Customer contact storage capability
- E-mail receipts
